

## FREE COCKTAIL RECEPTION

The **IEEE Systems, Man, and Cybernetics (SMC) Society**, the **Vice President SMC Human-Machine Systems (HMS)**, and the **Brain-Machine Interface Workshop** invite you to a **free cocktail reception** to enjoy great wine, food, and networking. Experience **fascinating live demos** of new and emerging neurotechnology devices and systems coupled with virtual reality, robotics, and AI. Winners of the **2019 SMC BR41N.IO Brain-Computer Interface Designer Hackathon** will also showcase their winning prototypes. Learn more about the IEEE SMC Society, the benefits of being a member, and HMS, Cybernetics, and Systems activities within the Society.

### Not to be missed!

**What to expect:** Great wine, food, and networking with experts in neurotechnology and human-machine systems, and to learn about the professional advantages of joining the SMC Society

**Where:** Room 3 and basement foyer (Floor -1)

**When:** Monday, October 7, 2019 from 6:30 pm – 9:00 pm
